- Teams may use any format throughout the season. When scheduling matches, teams must confirm which format will be played.
- Each player is limited to one singles match, one doubles match, and one mixed doubles match.
- Singles players and doubles teams must be placed in appropriate order (no stacking).
- Forfeit policy: Teams with less than the suggested minimum number of players may compete only if it is mathematically possible to win. In order for a team to win forfeited positions, those players must be on court during team introductions.
- 5-match Format will be used at IBA Mixed Team Championships.
